REPORT AND RECOMMENDATION

On February 19, 2014, counsel for defendant filed a motion pursuant to 18 U.S.C. § 4241 for a determination of the mental competency of the defendant to stand trial. That motion was granted and, prior to holding a hearing to determine the mental competency of the defendant, the Court entered its Order pursuant to 18 U.S.C. § 4241(b) directing that a psychological or psychiatric examination of the defendant be conducted and that a psychological or psychiatric report be filed with the Court pursuant to 18 U.S.C. §§ 4247(b) and (c). On June 6, 2014, a competency hearing was held and on June 26, 2014, this court filed a Report and Recommendation which recommended defendant be found incompetent to understand the nature and consequence of the proceedings and defendant be hospitalized for treatment. On July 14, 2014, Judge Whipple adopted the June 26, 2014, Report and Recommendation and ordered Mr. Miller committed to the custody of the Attorney General for a reasonable period of time not to exceed four months to receive evaluation and treatment. The evaluation began on September 30, 2014. On May 6, 2015, in accordance with the July 14, 2014, Order, a psychiatric report of Mr. Miller was received by the Court along with a request for another period of evaluation and treatment. On May 21, 2015, Judge Phillips granted the request.

The Court has received the psychiatric report of Dr. Angela Walden Weaver, which concluded that the defendant is competent to understand the nature and consequence of the proceedings against him and to assist properly in his defense. This report has been provided to and reviewed by counsel for the government and counsel for the defendant. On April 5, 2016, a hearing was held pursuant to 18 U.S.C. § 4247(d) for the purpose of determining the mental competency of the defendant to stand trial. At this hearing, counsel for the government and counsel for the defendant stipulated that the Court could consider the psychological or psychiatric report of Dr. Weaver as if Dr. Weaver had appeared in person and testified under oath. No additional evidence was offered by the government or by the defendant.

Based on the record before the Court and the findings of Dr. Weaver, it is

RECOMMENDED that the District Court, after conducting its own independent review of the record, find that defendant Miller is competent to understand the nature and consequence of the proceedings against him and to assist properly in his defense.

Counsel are reminded that each has 14 days from the date of receipt of a copy of this Report and Recommendation to file and serve specific objections to the same. A failure to file and serve timely objections shall bar attack on appeal of the factual findings in this Report which are accepted or adopted by the District Judge except upon the ground of plain error or manifest injustice.
